

## OPIRG Brock 2021 Event Safety Protocol

### OPIRG Brock 2021 Event Safety Protocol

In addition to upholding the OPIRG Brock Safer Space Policy, each OPIRG Brock Board of Director member, employee (unionized or non-unionized), placement student, volunteer, consultant or contractor, vendor, community partner, and Action Group agrees to the following event safety requirements when participating in an OPIRG Brock in-person meeting or event:

- You have read, signed, and returned this agreement prior to participating in an in-person meeting or event;
- Updates to this agreement will be based on the standards set out by Niagara Public Health, the Ontario Provincial government, disability justice activists' calls-to-action, and harm reduction activists' calls-to-action;
- Updates to the agreement will be circulated to all relevant parties, as soon as possible following the update;
- Asking questions about our steps to prevent the spread of the COVID-19 pandemic, increase accessibility, and follow a harm reduction approach are welcomed;
- Spreading of false information or fear mongering related to the COVID-19 vaccine, accessibility measures, and harm reduction measures will not be tolerated, and anyone actively promoting these ideas will be asked to leave;
- If you are attending a meeting or event in a venue that requires a COVID-19 vaccination, all participants will be notified ahead of time and are required to comply with these policies and protocols;
- For all meetings and events, outdoor and indoor, masks and social distancing are required;
- For meetings and events exclusively between people who fall within the same quarantine bubble, the participants must first gain consent from the entire group before taking off masks. This process cannot violate the venue's policies and protocols;
- At all meetings and events (if not already provided by the venue), the following supplies will be provided: hand sanitizer, disposable masks, cleaning supplies, some chairs, Naloxone/ narcan, and a sharps container;
- Meetings and events where a community partner or vendor has their own table, they will provide a publicly available and accessible bottle of hand sanitizer (if this creates a financial barrier, community partners or vendors can contact the team at OPIRG Brock to remedy this barrier);
